

MONTAGUE SOAP BOX RACES

Sunday, September 27
Unity Park Hill, Turners Falls, MA

BUILD A SOAP BOX DERBY CAR

A Fun and Educational Project for Your Family, School, or Troop!

Building and racing a gravity-fed car is a STEAM (science, technology, engineering, art and math) project and healthy outdoor activity that everyone can enjoy.

All cars have the same basic considerations: the front and rear axles, frame, seating, steering and brakes. The following information will show you how to build a basic gravity-fed car safely and inexpensively, but it's up to YOU to add your own brand of creativity!

“HOW TO” Resources

7 Step Easy Soap Box
Derby Car Build Under \$50
